

Torneo internacional de balonmano en Peñíscola
XIII PIHC (*Peñíscola International Handball Cup*)

Hi there,

The PIHC organization regrets to communicate that this year the tournament will not be accomplished. We rue the inconveniences caused and these are the reasons of our decision.

- In one hand, a month away we have found administrative difficulties with our lodging place.
- On the other hand, we have been assessing many options and places however we could not find an accommodation with the conditions that we need.

From the organization we apologize about all this. We have been doing all we can to could but it was not work. After 12 editions we have found an administrative difficulty that makes us cancel the tournament and make us so sad with ourselves because we could not solve it.

We are so sorry.
We hope to see you soon.

Signed,

PIHC Organization
